MEMORANDUM FOR: National Intelligence Officer for Western Europe  
FROM: Director of Central Intelligence  
SUBJECT: NI IIM 84-10005: The Aegean: A New Look at an  
Old Problem

1. I think the Senior Review Panel's comments on the Aegean paper are well taken. I plan to study that paper more carefully next week.

2. Meanwhile, if possible today (I will be leaving for a week in Europe) I would like to have whatever is available on the draft of the forthcoming Cyprus SNIE and any other materials to help me to think about relating Cyprus to the Aegean paper.
